P.O BOX 22255,
Kampala-Uganda

May 4th, 2023

Dear Sir,

**RE: REQUEST FOR ENVIRONMENT EDUCATION, INFORMATION AND
COMMUNICATION MATERIALS**

Greetings from the Environment Governance Institute (EGI), a non-governmental organization dedicated to promoting sustainable management of the environment and natural resources in Uganda and the Great Lakes region.

EGI works with the government, communities, local leaders, and other partners to promote equity and social justice in natural resource management.

On behalf of EGI and myself, I am writing to request that your office provide us with different educational, information, and communication materials that reflect the need for the public to promote environmental conservation and protection.

The provision of these materials will enable us to further educate and empower communities to recognize the value of environmental conservation and protection and align with EGI's and NEMA's educational programs. The materials will also allow us to ensure that we equip communities including schools, tertiary institutions, and local people in rural areas with environmental information.

We appreciate your support and dedication towards promoting environmental conservation and protection in Uganda.

Thank you for considering our request, and we look forward to hearing from you.

Yours sincerely,

Samuel Okulony

CEO EGI-Uganda
